PROJECT CHILD FIND

All children, ages three through 21, who reside within the Union County School Districts who are in need of special education and related services, including pupils with disabilities attending nonpublic schools, are highly mobile pupils such as migrant workers' children and homeless pupils, regardless of the severity of their disabilities, shall be located, identified and evaluated according to N.J.A.C. 6A:14-3.3.

Three and four year old children who experience difficulties with speech, behavior, coordination or getting along with others may be eligible for our preschool program. In addition to the preschool program, the district offers a full continuum of special education programs and services.

All children who are considered to be 'at risk' will be evaluated by district personnel to determine eligibility for special education and related services.

If you have concerns about your child and would like to have him/her evaluated, please contact the Department of Special Services (908) 889-8288.
