

SUMMER ASSIGNMENT 2016

Welcome to A.P. Biology!

Please answer the Interactive Questions, Structure Your Knowledge questions, and Test Your Knowledge/Multiple Choice questions for Chapters 4, 5, 25, 42, 43, 44, 45, and 47 in this packet. Please adhere to the following guidelines:

- 1) All answers should be written on your own sheet of paper. Each sheet should have your name, date, and A.P. Biology Summer Assignment 2015 written as a header on the upper left side of the page.
- 2) Each Chapter should be clearly labeled and identified.
- 3) Each Interactive Question, Structure Your Knowledge Question, and Multiple Choice Question should be clearly numbered.
- 4) You do not need to rewrite the questions. Simply write your answers in complete sentences where applicable.
- 5) When answering questions involving diagrams, there is no need to recreate the diagram. Simply write the letters on your own sheet of paper (a, b, c, etc.) and write your answer next to the letter.
- 6) For the Multiple Choice Questions, write the number of the question and write the correct letter next to the number.
- 7) The assignment is due on the first day of class in September.

Should you have any questions, please contact us at: hsharif@ucvts.tec.nj.us or amoskowitz@ucvts.tec.nj.us.

Enjoy your summer, take care, relax, and see you in September.
