## SUPPLY LIST 2016-2017

The following document contains school supply lists by course for the 2016-2017 school year. If a course you are scheduled for is not on the list, your teacher will provide supply requirements the first week of school. Please note that the PowerSchool Student/Parent Portal will include access to detailed schedules, including faculty name, beginning in mid-August. At that time, students are encouraged to check faculty webpages for specific information.
