#### **Quote of the Week:**

**When one door of happiness closes, another opens, but often we look so long at the closed door that we do not see the one that has been opened for us. —Helen Keller**

# Union County Vocational Technical School District

has been named to the

## 9th Annual **AP<sup>®</sup> District Honor Roll**

for expanding opportunity and improving performance  
for Advanced Placement<sup>®</sup> students.

 CollegeBoard

**AP<sup>®</sup>**

Congratulations! The College Board is pleased to share the exciting news that your district has earned a position on the 9th Annual AP District Honor Roll! The annual AP District Honor Roll recognizes districts for increasing access to Advanced Placement course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams. Honor Roll Districts defy the expectation that expanding access automatically results in a decline in the percentage of exams earning scores of 3 or better. Reaching these goals indicates that your districts are successfully identifying motivated, academically prepared students who are likely to benefit from rigorous AP course work.

Please find enclosed your certificate to commemorate this honor, and this January you will also receive posters for display. In addition to the certificate and posters, we have several other materials for you to share this honor with your community. Some of you may have already received an email with the following:

- Approved press release that you may share with local media. Please only populate fields that are highlighted.
- Document including suggestions for Sharing AP Honor Roll News. This document includes suggested language for sharing on Twitter and Facebook.
- Web banners and instructions that you are free to use on your district website.

If you have not received an email with the above documents, please send us an email at [apdistricthonorroll@collegeboard.org](mailto:apdistricthonorroll@collegeboard.org) and we will email these documents to you. For further information, you may visit the [AP District Honor Roll](#) website, which includes information about the Honor Roll as well as the complete list of honored districts.

Again, I wish to congratulate you on this honor. If you have any questions about the Honor Roll, please contact [apdistricthonorroll@collegeboard.org](mailto:apdistricthonorroll@collegeboard.org).

Kindly,

*Pauline*
