ACTIVITIES & ANNOUNCEMENTS

- > **Auditions to sing the National Anthem at Graduation 2019** will be held in Ms. Manning's room (231), Thursday, May 30th during period 5. Any Magnet student can sign up; Google link will be available through their tech teachers.
- > **Congratulations TSA!** The Technology Student Association (TSA) is a national Career and Technical Student Organization (CTSO) devoted exclusively to the needs of students interested in science, technology, engineering, and mathematics (STEM). Over Spring Recess, a total of 27 students participated in the annual conference held at The College of New Jersey. During this conference, two students, one from MHS and one from AIT, placed 1st in Music Production, while two additional students from MHS and AIT took 2nd place in the Technology Bowl. Additionally, a team of five MHS students placed 3rd in Biomimicry. Congratulations to this year's team for a job well done!
- > **Congratulations UCVTS!** The UCVTS School District has been named on the 9th Annual AP District Honor Roll for expanding opportunity and improving performance for AP students!

Quote of the Week:

Rest is not idleness, and to lie
sometimes on the grass under trees on a
summer's day, listening to the murmur
of the water, or watching the clouds
float across the sky, is by no means a
waste of time.

- John Lubbock

Union County Vocational Technical School District

has been named to the

9th Annual **AP[®] District Honor Roll**

for expanding opportunity and improving performance
for Advanced Placement[®] students.

 CollegeBoard

AP[®]

Congratulations! The College Board is pleased to share the exciting news that your district has earned a position on the 9th Annual AP District Honor Roll! The annual AP District Honor Roll recognizes districts for increasing access to Advanced Placement course work while maintaining or increasing the percentage of students earning scores of 3 or higher on AP Exams. Honor Roll Districts defy the expectation that expanding access automatically results in a decline in the percentage of exams earning scores of 3 or better. Reaching these goals indicates that your districts are successfully identifying motivated, academically prepared students who are likely to benefit from rigorous AP course work.

Please find enclosed your certificate to commemorate this honor, and this January you will also receive posters for display. In addition to the certificate and posters, we have several other materials for you to share this honor with your community. Some of you may have already received an email with the following:

- Approved press release that you may share with local media. Please only populate fields that are highlighted.
- Document including suggestions for Sharing AP Honor Roll News. This document includes suggested language for sharing on Twitter and Facebook.
- Web banners and instructions that you are free to use on your district website.

If you have not received an email with the above documents, please send us an email at apdistricthonorroll@collegeboard.org and we will email these documents to you. For further information, you may visit the [AP District Honor Roll](#) website, which includes information about the Honor Roll as well as the complete list of honored districts.

Again, I wish to congratulate you on this honor. If you have any questions about the Honor Roll, please contact apdistricthonorroll@collegeboard.org.

Kindly,

Pauline
